

Welcome Pack

Welcome to Emmbrook Place

August 2023

www.myjourneywokingham.com

About This Booklet

Welcome to your new home in Emmbrook Place. This pack has been produced by the My Journey team to provide you with information about planning journeys from your new home.

My Journey Wokingham promotes travel which helps keep our residents healthy and safe and our borough cleaner and greener.

Within this pack you will find reference to local walking and cycle routes, information about local bus and rail services, and where to find your nearest electric car charging points.

We are also pleased to be able to provide you with information on discounted travel and travel related items, some of which are exclusively for new residents of Emmbrook Place.

My Developer Details

My Journey Wokingham

As well as welcoming new residents to the borough, My Journey Wokingham provides a series of travel related events and training courses as well as competitions.

For further information about the My Journey Wokingham programme please visit the My Journey Wokingham website.

Additionally, you can follow us on Facebook or Twitter to find out about our latest offers, events and training programmes.

Brief History

The North Wokingham major development site is an urban extension of Wokingham town, on land adjoining the Kentwood and Matthewsgreen neighbourhoods and Keephatch Beech. As part of the new development, there are several new recreational open spaces for residents to enjoy the natural environment. These open spaces include parks and gardens, public open spaces, children's play areas, playing pitches, allotments and nature parks

New school at Matthewsgreen

A new primary school has opened nearby at Howlett Grove, Wokingham RG41 1BJ

Schools nearby

- Emmbrook Infant School
- Emmbrook Junior School

Walking is simple, free and one of the easiest ways to get more active, lose weight and become healthier

Cambridge University researchers have found that a brisk walk every day has substantial health benefits.

Incorporating walking into your lifestyle will go a long way in helping your health and well-being.

The My Journey Wokingham website can be used to discover walking routes in your local area or to plan walks to your local shops, services and other amenities.

Thames Basin Heaths Partnership

To find greenspaces on your doorstep and get outside for some fresh air and exercise.

Visit: www.myjourneywokingham.com

Health Walks

There are a number of health walks that take place across the borough. The walks are a great way to meet new friends and keep active.

Cycling is a low impact type of exercise which can help you lose weight, reduce stress and improve your fitness

It is often quicker to cycle than travel by car for local journeys in Wokingham, particularly during busier times.

Visit the My Journey website for the latest copy of the Wokingham Area Cycle Map, information on local bike events, training courses for adults and children as well as discounts at local retailers and much more.

Visit:

www.myjourneywokingham.com

Wokingham Bikeathon

The Bikeathon is an annual family event that takes place around Wokingham every June. The date of the event will be shared on the My Journey website once it is announced.

Email: myjourney@wokingham.gov.uk

Park & Ride

The Winnersh Triangle Park & Ride is currently closed. The ground floor of the car park is open to allow access to disabled spaces, electric vehicle chargers and for rail users to park closer to the station. Those wishing to travel into Reading can use the train or the nearby Lion 4/X4 bus to central Reading.

Thames Valley Park & Ride

Reading Buses run the 300 bus every 20 minutes Monday to Friday to Royal Berkshire Hospital (RBH). Please check the timetable here:

<https://www.reading-buses.co.uk/services/RBUS/300>

MereOak Park & Ride

There is a park & ride facility at MereOak just off the A33, J11 M4 with regular buses going into Reading.

For more information visit:

<https://www.reading-buses.co.uk/park-ride>

National Express Coaches

National Express Coaches call at MereOak Park & Ride going onto London Victoria or London Heathrow.

For more information visit:

<https://www.nationalexpress.com/en>

Rail travel is a faster, more relaxing and less stressful way to travel on business, and it's easy and hassle-free for leisure trips with your family and friends

Wokingham is the nearest station to Emmbrook Place. You can walk or cycle there in less than 30 minutes. The nearest bus stop to Emmbrook Place is the Dog and Duck stop, approximately 5 minutes walk to catch the 122/129 bus. The Lion 4/X4 bus service travels between Reading and Bracknell every 15 minutes and the nearest stop is the Rifle Volunteer, approximately 15 minutes walk.

Four trains an hour depart for Reading Station, two direct trains an hour to London Waterloo and two direct trains an hour to Guildford, Redhill and Gatwick Airport. Some additional services are provided at peak times.

The station is located on Station Approach, RG40 2AP. It has a cafe, 118 sheltered cycle storage spaces and 531 parking spaces.

For further information on train times visit:

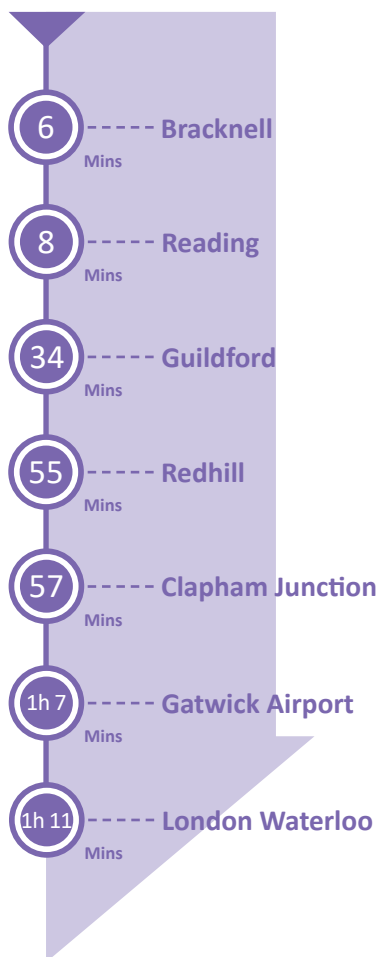

www.nationalrail.co.uk

For information on tickets and discounted rail travel visit:

www.myjourneywokingham.com

Twyford Train Station is approximately 10 minutes by car or 20 minutes by bike. There are regular trains to London Paddington from Twyford with journey times varying from as quick as 21 minutes depending on when you travel. You can also catch the Elizabeth line train to London from Twyford Station at Twyford Station which will provide more flexibility for travel to London.

Approximate Journey Times

We save 1560kg
CO2 each year
between us!

Arrange to travel together and share the cost, whilst reducing congestion and pollution at the same time

Electric Vehicles

Electric vehicles are better for the environment, cheaper to run and cheaper to maintain.

Pure electric vehicles have zero exhaust emissions, which means they do not emit any harmful exhaust emissions in the local environment.

Although the upfront cost of purchasing an electric vehicle is higher, savings are made in the longer term with lower running costs. Electric vehicles have lower servicing and maintenance costs due to having fewer mechanical components as well as being more cost effective to charge than petrol cars. Electric charging points are provided locally in the Carnival Pool and Shute End Car Parks in Wokingham. There are also electric charging points at Wokingham, Fleet and Farnborough train station car parks.

For locations of more electric car charge points please visit: www.zap-map.com/

Car Share

Car sharing is a great way to reduce the costs of travelling by car. It is also a great way to meet new people and help the environment.

There is a public car share database available to search for other people looking to car share around your area.

Visit: www.liftshare.com

Smarter Driving

Smarter driving can help keep you safe and cost you less. Here are some tips for smarter driving:

- Check your tyres are at the correct pressure to help the car run more efficiently
- Remove unnecessary weight from your car like heavy equipment, roof racks or items in your boot
- Make sure your car is serviced regularly to ensure it is running as efficiently as possible
- Avoid wasteful fuel consumption with engine idling or air conditioning
