

Accessibility Cards

You can use these cards alongside your bus ticket and/or concessionary pass.

Simply cut out the cards you need and save them in your wallet or purse.

When boarding, show the card to the driver to let them know the help you need.

Some of the cards have a blank space on them for you to write in your own text. Please write in this space as clearly as possible to help our drivers.

please be patient

I am deaf

thank you **Reading**buses

please be patient

I am visually impaired

thank you **Reading**buses

please be patient

I have difficulty speaking

thank you **Reading**buses
