

Anti-Idling Poster Competition

We would like you to design a creative poster over the summer holidays to raise awareness about the negative environmental and health impacts of vehicle idling near schools.

There will be five winners selected from our Wokingham primary schools. Their designs will be printed onto one banner with one displayed at each of the winners' schools to promote clean air and responsible driving. The five winners will each receive a £50 book voucher too.

Competition rules

- Print this poster and create your design on the back in landscape or use A4 size paper.
- The posters should focus on the impact of idling, the health benefits of clean air, or the broader theme of environmental protection.
- Posters must include a clear slogan or message promoting the anti-idling theme. Accepted formats include traditional artwork (e.g. drawings and paintings) and original digital designs, which must be printed on A4 paper in landscape format.
- BE CREATIVE with your design and slogan!

Posters and completed forms (below) should be sent to: myjourney@wokingham.gov.uk by **Friday 4 September 2026**.

Winner will be announced around 22 September 2026.

Child's full name: _____ Age: _____

School: _____

Parent/carer: _____

If your child's entry is a winning entry, do you give **permission** for their **first name and age** to be **displayed on the banner**?

Yes: No:

Parent/carer name: _____

Relationship to child: _____

Signature: _____ Date: _____
